

TEMPLATE FOR SOCIAL MEDIA CONTROL

This template will help you audit your Social Media Networks. Follow this steps to make your next Social Media control.

1 Step

Create a Spreadsheet and write all your social networks profiles, the corresponding url and the name of the responsible for the account.

Social Network	URL of the profile	Responsible

2 Step

Search in Google for "fakes accounts" of your company. What are these fake accounts? Social profiles of your brand that aren't managed by you.

Social Network	URL	Responsible	Cancel ir Yes/No

3 Step

Create a mission in 5 words for each of your social profiles. For example: " Twitter-> Communicated news of the development of the company".

Social Network	URL	Responsible	Mission
